

# 2022 ACNCG Schedule

# Aims

- Introduce Facebook communication platform.(Have Facebook up and running in 1Q)
  - Better notification platform in short term.
  - Historical data can be harder. Is there still a role for website?
- Meetings to more discussion as opposed to data share.
  - Incorporate site visits prior to meetings.
  - Try and retain face to face along with remote access for meetings
  - Less meetings aim fro 2 per year with ability to schedule 3
- Scheduled and event data directly to communication platform rather that store up for meetings.
